Sorry to hear about the death of your father, "Buster". He was one of many memories of those who contributed to Richmond and my childhood. It was a special time growing up there and with all of you as other Richmond kids. Linda Peters

We were so sorry to hear of the death of your father. I am a cousin; my mother, Edith, was a Strobel. At first, I did not realize who he was, because we always called him "Buster" not Marvin. Your family will be in our thoughts and prayers. Mary and Frank Natchez

I am so sorry about the loss of Buss. He called last week, I was so happy to get to talk with him even though it wasn't good news. He was a long time friend and supporter of Bob and myself. I am very sad. Will keep his family & friends in my prayers!

To Buster's kids, My husband, Mark, and I have fond memories of your dad at the Strobel family reunions. He was always the life of the party, outgoing, and acknowledged even the younger cousins like me. If Buster was there you knew it and you always enjoyed talking to him. And as a kid, when we would visit Grandma and Grandpa (John and Anna Strobel) in Richmond, our parents, Jim and Ethel Mae, would enjoy their time with Buster and Gloria. Buss was a great guy as I recall, had a fun spirit and was well loved in the Strobel family. We are sorry for your loss and sorry to know that he has left this earth. God bless him and may he rest in peace in heaven. Cindy Meyer Einhellig
