

Distribution Guidelines

Purpose and activities: Provide funding for educational supplies to schools across Kansas with an emphasis on Science, Technology, Engineering, and Math (STEM). Emphasis will be given to schools with Free/Reduced numbers 40% or larger and schools with a high population of students not meeting State Assessments in math or science.

Geographic focus: State of Kansas

Types of support: All fund requests must be for STEM related projects including: books, curriculum, equipment, field trips, supplies, technology, and family engagement activities.

Limitations: Funding requests will not be accepted for individuals, tuition, scholarships, annual campaigns, capital projects, or food.

Funding size: KIOGA Educational Foundation will consider requests up to \$1,000.

Request information: Applications must include a copy of your tax exempt status.

Mail or e-mail one signed application to:
